

Our **GROOVY** company

While there are numerous General Service Contractors to choose from, Stetson stands out as a "Small Giant." We produce some of the most unique and reputable shows in the country. Stetson prides ourselves on keeping the necessary and personalized connection, trust and friendship between the client and contractor.

All of us at Stetson, realize the importance of making the right choice for a partner who can provide you with the flawless event you deserve. Reach out today to start planning your next far out event!
